At present there are three Public Prosecutors attached to the three Sessions Divisions. Each Sessions Division consists of three districts, and the Sessions Cases arising in any district are tried at the Headquarters of that District the Public Prosecutor moves along with the Sessions Judge to the places where the Sessions trial is held. In the Bangalore Division, the additional District Judge is appointed an Additional Sessions Judge and he generally tries the Sessions Cases arising in Kolar District at Kolar. There are thus two Sessions Judges for Bangalore Division and it frequently happens that both these Judges will have Sessions Cases at the same time with the result that the only Public Prosecutor for this division has necessarily to absent himself from one or the other Court and the Special appointment of a Special Public Prosecutor becomes necessary. The present pay of a public prosecutor is Rs 200 – 50 – 300. When a separate PP is appointed for each district, there is no need to continue the present scale in the three districts of Bangalore, Mysore and Shimoga, where the sessions work may be expected to be heavier than in other districts, the PP's pay may be fixed at Rs 200/- per mensem; and in the other six districts, their pay may be fixed at Rs 125/- per mensem. The PPs will also look after the civil cases arising in their districts, whether such cases are filed by or against Government for such work they will be paid separately according to the existing rules.

On account of political trend and the general advancement of the people the administration in these days is becoming more and more complicated and it is desirable that at the head of the district administration is given the assistance of a legal adviser. The proposal of having a P.P. at the head quarters of each district will afford the Deputy Commrs & the District Magistrates of districts the advantage of having a

The PPs at Mysore, Bangalore, and Shimoga will continue as before and the new scale of pay may be made applicable after the expiry of the term of present incumbents. But normally speaking the financial implications of the above proposals would be as follows:—

I may submit in this connection that in Madras, where the Govt Pleader & Public Prosecutor receive a retaining fee of Rs 100/- per annum, and even in districts where the office of Govt Pleader and Public Prosecutor are separate, the retaining fee is Rs 50/- for a Govt Pleader and Rs 50/- for a Public Prosecutor. The P.Ps will however be paid separately for conducting other Criminal Cases.

(2) He will attend to the sessions cases, criminal appeals and Government work in that district and will advise the Deputy Commissioner of tne district.

(3) He may be given a small retaining fee of Rs.25/- per month and daily fees may be paid separately for the cases.

A retaining fee of Rs.25/- per mensem would be too small . They will have to maintain a clerk and incur some contintent expenditure. In Madras, a Government Pleader and Public Prosecutor, where the offices are combined, gets a fee of Rs.100/- and where the offices are separate, the Government Pleader gets Rs.50/- and Public Prosecutor gets Rs.50/-. Since, in our scheme, the offices will be combined, the Public Prosecutor may be paid a retaining fee of Rs.75/- per mensem in Bangalore and Mysore where the volume of work will be larger and Rs.50/- in the other seven districts.

The present cost on the Public Prosecutors is as follows:-

It is difficult to gauge the amount of fees that may

have to be paid for sessions work and criminal appeals. It may be taken at an average of 6 days per month for 10 months, i.e., 60 days in the year. This would mean Rs.960/- or about Rs.1,000/- per mensem. For 9 Public Prosecutors, the fees may come to about Rs.9,000/-. The total estimated cost will be about Rs.15,000 The extra cost will thus be about Rs.2,000/-.As against this there is the advantage of each district having a legal adviser on the spot.

The work done by the Public Prosecutors is as follows:-

(1) Sessions cases.

(2) Criminal appeals before the Sessions Judge (He does not appear in all criminal appeals He appears only in such of the important cognizal cases in which the District Magistrate instructs him to support the decision of the lower court.)

(3) Advice to the Deputy Commissioner and Government Departments on matters of law.

(4) Criminal appeals and criminal cases in Magistrates' Courts.

(5) Civil cases of Government.

For items (1) to (3) he is not paid separately now and that work is covered by his present salary. For items (4) and (5) he is paid per case or per day separately.

Under the proposed scheme, work under iter (3) would be covered by the retainer that would be given to him. Work under items 1,2,4 & 5 would have to be paid for separately for each or for each day.

Appointment of a Public Prosecutor for each District in the State.

These papers relate to the appointment of a Public Prosecutor for each District in the State.

At present, there are three Public Prosecutors attached to the three Sessions Divisions. Each Sessions Division consists of three Districts and the Sessions cases arising in any District are tried at the headquarters of that District. The Public Prosecutor moves along with the Sessions Judge to the places where the Sessions trial is held. In the Bangalore Division, the additional District Judge has also been appointed as an additional Sessions Judge and that officer generally tries the Sessions cases arising in Kolar District at Kolar. There ar thus two Sessions Judges for Bangalore Division, as also for Shimoga Division, and it frequently happens that both these Judges will have Sessions cases at the same time with the result that the Public Prosecutors of these Divisions have necessarily to absent themselves from one or the other Court and the appoint ment of a special Public Prosecutor becomes necessary. Besides, the services of the Public Prosecutor are required for the conduct of prosecution of important cases in the Courts of the Magistrates and as a consequence, special Public Prosecutors hav to be frequently appointed for the conduct of Sessions cases that are ripe for hearing. This arrangement is ascertained to be working not satisfactorily and it is also expensive as the Publi Prosecutor has to be paid for separately for his work in the Magistrate's Court and the special Public Prosecutor has also to be paid for conducting the Sessions cases. The administration is becoming more and more complicated and it is considered desirable that every head of the District administration should be given the assistance of a legal adviser.

The Chief Justice (from whom, as a matter of fact, the suggestion emanated) is in favour of appointing a separate Public Prosecutor for each District in the State who will attend to the Sessions cases, criminal appeals and other Government work in that District and will also advise the Deputy Commissioner of the District.

The subject was discussed at a meeting of the Council held on 8th January 1940 and it was decided that the above proposal of appointing a Public Prosecutor for each District might be sanctioned and that a pay of Rs.250 per mensem might be fixed for the Public Prosecutors of the three Districts, viz., Bangalore, Mysore and Shimoga, and Rs.150 per mensem for those of the remaining Districts, without any allowance for establishment or contingencies. The Financial Secretary is not, however, in favour of the above proposal as it involves extra expenditure which is unwelcome under present conditions.

In view of the fact that the proposed system of having the Public Prosecutor at the headquarters of each District will afford the Deputy Commissioners (District Magistrates) of Districts the advantage of having a competent legal adviser readily available and is also likely to bring about a better understanding between the administration and the members of the local bar, it is considered necessary to give effect to the above proposals notwithstanding the fact that they involve a certain amount of extra cost to Government.

HIGH COURT OF MYSORE

BANGALORE

Dated 29 December 42

Dear Dr. Radhakrishnan

Thank you very much for your letter of yesterday & the note about Public Prosecutors enclosed with it. They arrived at a very critical moment as I was writing out the note on the subject which I had promised you; so I completed my note which I enclose, though I must say I was beating about the bush. The proposal in the Secretariat note to have in the first instance three Circles & separate Public Prosecutors for the 6 Districts, leaving out at first Chikmagalur Kadur, Hassan & Mandya

If there is a vacant Public Prosecutor in this District then other Special Public Prosecutor must be appointed to work in there from time to time as the Public Prosecutor of Shimoga & Hyderabad & the Nature of the cases appear & he attending a regularly & both would learn the District Regulations of these Districts without great advantage. I think it would be much better to withdraw the system in all the 9 Districts.

The Secretariat work performed by the Public Prosecutors. I have proposed payment of daily bata in addition to a small retaining fee. When it is remembered that vacations

like up more than 2 months
in each year. I think payment
gradually two would be more
economical than fixed salaries
the Public Prosecutor for the
Bangalore District might get
more than the R200 a month
(R2400 a year) he had in
the Secretariat note; but the
Public Prosecutor would often
get less than the salaries
suggested. And payment in
accordance with the time
taken & the work done would
be fairer & I think, more
attractive to the members of
the Bar. And if payment
gradually has been adopted,
there would be no question
postponing the introduction
the new system in the Kolar
Hassan & Mandya Districts,
where it is anticipated that
work will be light.

I think it would be well that
the criminal appeals from each
District which lie to the Sessions
Court should be heard by the
Sessions Judge so far as
possible at the conclusion of
each Session at the head-
quarters of that District. The
the local Public Prosecutor could
attend
appear under the instructions of
the District Magistrate. Records
in the criminal cases in
which the Public Prosecutor should
I think get two to the State
number of daily diaries of a
part of each day employed in
each month as the same
is to be kept in

Yours sincerely

Note regarding Public Prosecutors' appointment

In Byron at present there are Public Prosecutors — one for each Sessions Division of the State — each receives a salary of £300 a month. Each one has to prosecute cases at Sessions in 3 distinct headquarters but lives at the headquarters of his Division. There appears to me numerous disadvantages in this arrangement. With so much work for each Public Prosecutor to do it is seldom possible for the leaders of the local Bar to take the post. If he did so, he might well lose almost all his private practice in which he could earn in time that has happened several instances and generally the men willing to take the post are not in the front rank. But it is undoubtedly true — that on the public interest that the

Government should command
every district the best talent
available. And it is important
I think that District Registrars
& Public Prosecutors should be
in close touch. That cannot
applied to the case in the
districts in which the Head
Public Prosecutor does not live
— i.e. 6 of the 9 districts.

In my opinion it would
be a great improvement to have
separate Public Prosecutor for each
District, & I think that could
be arranged with little, if any,
extra cost to the Government.
If there were a separate Public
Prosecutor for each District, there
would be comparatively little
criminal work for each to do.
It would be enough I think if in
each a small monthly retaining
fee of Rs 25 was attached to the

could meet his contingent
expenses, & a moderate daily
for his work done. Against
expenditure would be set B's
account, the pay of the new
Public Prosecutors, & their
travelling allowances. I do not
think a clerk need be provided
for every Public Prosecutor, though
perhaps a clerk might be allowed
to those who do the work in towns
if Government work took up only a
small part of each Public Prosecutor's
time, as it would in most
circumstances, such would have
time also for private practice.
The best men could afford to
take Public Prosecutors' pay,
& I hope not only would they
take the post gladly but the
post would become objects of
ambition. When it became
known, as it soon would, that
the Government recognized the
Public Prosecutors selected to do

leaders of the Bar in the respective
districts & whose time so much
the practice would command
by private work would ensure.
The Government would then have
the services of the best men for
criminal & civil work. & I
have no doubt that on the whole
the Government work would be
better done. Besides this
each District Magistrate would
be in close touch with the
Public Prosecutor for his District:
at any time the District
Magistrate could get the Public
Prosecutor's advice, & the Public
Prosecutor could take the
District Magistrate's instructions.
That was the system which
worked excellently in the
Indian Principality where party
politics were altogether
with the choice of Public
Prosecutors

But not only would the Government's work be better done I think the arrangement I suggest would have other good & indirect effects. I think it would do something to improve the relations between the Bar & the Administration a matter which is in my opinion of very considerable importance. Nine prominent members of the Bar ought to always be brought into close with the Administration, a healthy thing, which they could hardly fail to have educative effects. Besides, if the Public Prosecutors are, as soon they would be, the recognized leaders of the local Bar, it would be the ambition of able young members of the Bar to succeed to that position

due course, an answer which we might expect to affect their conduct & outlook. And we could look forward to the Public Prosecutor with his recognized position of leadership exercising a very wholesome influence on young members of the Bar — as I have known to be very valuable elsewhere. Every member of the Bar, though he is an officer of the Court, is free to have his own political opinions; but nowhere among the Bar should there be a general thrust or fashion of opposition to the Government. If any member of the Bar fail to become Minister, as many will ... after that turn to my letter & bring him into Council

sometimes a very motley
& unjustifiable spirit of
opposition to the Government
has grown up among them.
Such unnecessary extravagant
& in my opinion very
deplorable, & I think that
any Peasant Agitation
would do something to
mend it.

Dear Sir D'Arcy,

I wish to thank you for your letter of the 29th ~~inst~~ December 1939 together with the note about ~~the~~ Public Prosecutors. I am inclined to agree with you that it is better to give ~~to~~ the Public Prosecutors a small retainer and daily fees rather than a fixed salary. It, however, seems to me that the retaining fee may be fixed at a somewhat higher figure than Rs.25/- a month. I agree with you also that a clerk need not be provided for every Public Prosecutor. If the retaining fee is fixed at Rs.50 to 75/- p.m. according to the volum of work in each District, the Publi Prosecutor may meet not only contin gent charges but expenses ~~for~~ of cleri cal assistance out of this amount.

I am having the proposals re-cast on these lines. Meanwhile I wish to thank you for your valuable suggestions on the subject.

Respected Sir,

I, the undersigned, beg to approach your honour for the second time with the humble request that I may kindly be taken into the superior service of the State. In reply to my representation of the 18th August 1939 that I may be appointed as Revenue Probationer, I was directed by the Chief Secretary to put in an application when applications were called for. As your honour is fully aware of, two were appointed as Revenue Probationers on the 19th October 1939 without applications being called for and as such, I had no opportunity to bring my case to your honour's notice. When on the 20th October 1939, some of the Reddies of Kolar District had approached your honour on my behalf, your honour offered to take me into the Accounts Department to which the deputationists could not give a definite reply and everything was left to your honour 's will. Later, an endorsement has been sent to the effect that my case will be considered when next the Revenue Probationers' selection is made, for which act of kindness I am grateful.

As directed by your honour, I have herewith enclosed Sir Mohamed Usman's letter which I submitted to your honour's perusal on the 17th November 1939. I beg to be permitted, Sir, to be of the certainty that I will definitely be given a chance when next the Revenue Probationers' selection is made or when any recruitment is effected in the superior service, which request I trust, your honour will kindly endorse.

CONFIDENTIAL.

Dear Mr. Noronha,

In accordance with the instructions of the Dewan to me on 19-12-1939, I enclose for submission to the Dewan, memorials for appointments from the following two gentlemen:

1. Mr. G.S.Narasimha Reddy, B.A., Gorthapalli, Bagepalli Taluk;

and 2. Mr. C. Ramaswamy, B.A., LL.B., Vice President, Chickballapur Municipality.

The first gentleman is the son of my old friend Mr. G. Subba Reddi of Gorthapalli and belongs to the Reddy Community. -- Gorthapalli is the most interior village in the Bagepalli Taluk and is on the border. Mr. Subba Reddy is a highly esteemed man of the Vokkaligar Community paying an assessment of Rs.2,000/- in Mysore State and nearly Rs.5,00/- in British India. He was a District Board Member and has high connections with Reddies in British India. Appointing his well qualified son either in the Revenue or in the Accounts Departments would show a friendly gesture to the influential community that the Mysore Government are not unmindful of the claims of respectable people even in a distant Taluk like Bagepally. The people of this Taluk are educationally backward and it would operate as a great -- incentive for them to press forward in education.

The claims of Mr. C. Ramaswamy, B.A., LL.B., are also equally important. Mr. Ramaswamy has rendered yeoman service to Government during the difficult times in 1938 and 1939 through which Chikballapur Taluk passed. The Naidu Community to which be belongs, stood solidly for Government in spite of the best -- blandishments of the Mysore State Congress Leaders. Mr. Ramas

is willing to serve in any Department - Judicial, Revenue, and Police or Railways. If it is not possible to absorb him in the Judicial Department for which he is adequately qualified, I think his claims in the Railway Department may be considered. He would even be satisfied with a foreign scholarship to ~~speciali~~ specialize in Railways for the present if there are prospects of absorbtion in that Department after his return. I may mention in passing that he is the younger brother of Mr. C.Narayanaswami Naidu, Additional District Judge, Shimoga. I know his father Mr. Chella Muniappa, a very esteemed member of the Naidu Community in Chikballapur, from a long time.

I request you to kindly place these two memorials before the Dewan for sympathetic consideration.

Yours sincerely,

Respected Sir,

I, the undersigned beg to approach your honour with the humble request that I may be absorbed in the service of the State. I am a Graduate of the Madras University with Economics and History as Optional subjects and Kanarese as second language. I had the distinction of obtaining Sir P. N. Krishna Murthy's Gold Medal for having stood first in the Presidency in Kanarese. The earlier part of my education, I executed with merit in the Mysore State itself. I was second in the State in Lower Secondary Examination and twelfth in S.S.L.C. I have herewith enclosed the copies of credentials.

I beg to bring to your honour's notice the fact that I am a Mysorean by ~~birth~~ nativity. My native place is Gorthipalli in Bagepalli Taluq, Kolar District. My father, G. Subba Reddy, is a land-holder of eminence in the taluq.

I humbly beg to be appointed as a Revenue Probationer or in any other cpacity equivalent to it; for which act of kindness, I will ever be grateful to your honour.

Besides these, he took an active interest in the other athletic activities of the College also. He was a member of the College Cricket team for some time. He was also a member of the Boxing Club. In track and Field sports he took a special interest specialising in sprints and the hurdle races. He represented the College in the Inter -Collegiate Sports in the Madras Olympic sports and did very creditably. For two years he was a member of the College Football Team (1936 -37).

Of the two persons mentioned by the D.C., Kolar, the first, Mr. Narasimha Reddy, is a graduate belonging to the Reddy Community. It is only very recently that a member of this community was appointed as Prabationary Assistant Commissioner. There is no probability of our taking any more Probationary Assistant Commrs. in the near future; nor is there any likelihood of appointing Probationers in any of the Departments for some time to come.

The next gentleman is a double graduate of the Naidu community. The Deputy Commissioner states that he would be satisfied with a foreign scholorship, if it is not possible to entertain him as a Probationer. In view of the disturbed condition in foreign countries due to war, it is not possible at present to think of sending out any scholors for training.

The cases of these two gentlemen will however be kept in ~~due~~ view, when a chance arises. Br

Prospects are not very bright.

The Public Prosecutor moves along with the Sessions Judge to the places where the Sessions trial is held. It sometimes happens that both these Judges have Sessions cases at the same time with the result that the Public Prosecutor has necessarily to absent himself from one or the other Court and the appointment of a special Public Prosecutor becomes necessary. Besides, the services of the Public Prosecutor are requisitioned for the conduct of important cases in the Courts of the Magistrates and as a consequence special Public Prosecutors have to be frequently appointed for the conduct of Sessions cases that are ripe for hearing. This arrangement is not very satisfactory and it is also expensive. The administration is becoming more and more complicated and it is considered desirable that every head of the District administration should be afforded the assistance of a competent legal adviser readily available.

Government are therefore pleased to direct the appointment of a Public Prosecutor for each district with effect from 1st June 1940. They are further pleased to fix the pay of the Public Prosecutors

Respected Sir,

In regard to my application submitted to you on 26th July, 1939 praying that an injustice which has been caused to me in not appointing me as Munsiff may kindly be set right and that I may be appointed as Munsiff, I received an endorsement No.P.884 dated 14th August, 1939 that my petition was forwarded to the Registrar, High Court of Mysore, for disposal. I waited until now that my petition would be given a fair hearing; I regret to submit that my waiting has been in vain.

The High Court prepared a list of candidates for appointment as Munsiffs. My name had also been included in the list. The inclusion of my name in the list is sufficient to suggest that I was very well qualified to be appointed. I have been waiting for the last four years that I would be appointed as Munsiff in due course. I have not been appointed. My merits and claims have been overlooked. My experience as a pleader for over 10 years in the working of Civil and Criminal Courts, my character and industry, respectability of my family, non-representation of any member in my family coming as it is from Malanad parts in the service of our State, and lastly my life long ambition to serve the State in the Judical Depart-

I do not want to trouble you by referring to the numerous cases individually or to exaggerate the importance that they had assumed for the time being as I am sure that Government is aware of all these. I have also saved several Lacs of Rupees in the numerous cases against Government which I have defended,not one of which has been decided against Government.

Considering my past record and my work,the quality of which is known to all the Learned Judges before whom it was my privelege to appear,act and plead, and considering also the loss of my private practise and the services that my revered Father Justice G.Srinivasa Iyer Esqr. , sometime Acting Chief Justice of our High Court, and Rajadharmapravina C.S.Doraswamy Iyer Esqr.,late Chief Justice of Mysore have rendered I make bold to rquest you Sir, to kindly be good enough to renew my term of Office for another period and also as a special case

Respected Sir,

Pursuant to the recent Government Order sanctioning the appointment of one Public Prosecutor for each District, I beg to submit this application of mine for the Public Prosecutor's place of the Hassan District.

In support of my application, I wish to submit the following particulars:-

I am a native of this District, a Law Graduate of the Madras University and an Advocate of the Mysore High Court of over 20 years standing. For 15 years, I was practising in Mysore before the District and Sessions Court and other Subordinate Courts of that place with a fairly large amount of practice both Civil and Criminal.

Consequent upon the establishment of a Subordinate Judge's Court at Hassan, I changed the venue of my practice to this place in the year 1935, because a large part of my work at Mysore consisted of cases from this District both original and appellate. Since then I have been practising here and during all this time I have been holding the place of the Standing Counsel of the District.

In the course of my practice I have had chances of conducting a pretty large number of Sessions cases also and I be-

believe I have given entire satisfaction to the Presiding Judges in my work and not found wanting in any way. I may also add that recently I have been elected the President of the Local Bar Association.

I request you to kindly consider this application favourably and select me for this situation and I assure you that I will do my best to give entire satisfaction in my work and thus justify the choice.

Sir Mirza M.Ismail, K.C.I.E., O.B.E.,
Dewan of Mysore, Bangalore.

Most Honoured and Revered Sir,

I, the undersigned most respectfully beg leave to approach with this humble application for the most gracious and kind consideration of the benign and benevolent Government and to pray ~~for~~ your honour to be pleased to grant my humble prayer in this respect.

I learn that the benign Government have been pleased to sanction recently the appointment of Public Prosecutors to each District and also some Prosecuting Inspectors to the Magisterial Courts for better conduct of criminal work in the State. I learn further that the benign Government have also kindly decided to make a few selections from the members of the Bar to such appointment. I therefore beg leave to kindly permit me to offer myself as a candidate for the same.

I was enrolled as a Pleader in August 1918 and since then I have been practising in Tumkur having both Criminal and Civil work and having ~~some~~ more aptitude towards criminal work. I h in all these 22 years successfully conducted

P.T.O.

a good number of criminal cases and appeals of various types and such cases may not have been less than 1000 at the least in all these years. Having more criminal practice than civil work (which has been also equally good) in all these 22 years I have earnestly taking great pains in the conduct of all such cases; and I have been turning out good work to the satisfaction of several clients that have been entrusting the work to me in the profession.

Before the introduction of Special Magistrat Courts I used to have ample work in several criminal courts in almost all the Taluks of the District and before Sub Divisional [illegible] s also.

Though I have been practising in the moffus ever since these 22 years I have sufficient and varied experience of criminal work in all these y as I have successfully handled a great many varieties of criminal cases.

As for my scholastic career I most humbly beg to submit that it was very bright and I had been awarded freeship throughout the Middle High School classes and while studying in the Central College in the old F.A.Class I had been awarded Half Freeship by the late respected Principal (J.Cook) of revered memory.

Previous to enrolling as a lawyer I have served the benign Government for nearly 8 years in the Judicial Department and I had to resign the same solely for the purpose of enrolling as a Pleader as per rules.

I have not been taking any part (even to the slightest extent) in any of the agitations or movements intended or calculated to be against the best wishes of the benign Government but I have been loyal all through.

I most humbly beg leave to submit that if I am kindly selected to any of these posts even provisionally as an experimental measure I beg to state that I would very earnestly and diligently do the work and honestly also.

Though it is generally the policy of the benign Government to select double graduates and graduates for service and though a good number of them have been volunteering for the same it is also a matter of great genorosity, sympathy and and high benevolence that the benign Government have been ever gracious in granting appointments in recognising the capacities of efficient under-graduates also who have studied in colleges but given up further studies for unavoidable domestic circumstances. The highly respected Government have been giving encouragements to such under-graduates also whenever they are found competent and efficient and there have been a good number of such instances in your honour's most enlightened and noble administration of the benign Government.

efore most humbly beg leave to submit that I most humbly and respectfully pray your honour and the highly exalted Government to be highly pleased to condescend to extend the same sympathies towards me in this respect and to exte that highly praised benevolent generous policy referred to above to me also, kindly having regard to my long standing practice and experience in the profession both on criminal and civil side for the last 22 years.

I most highly entreat your honour and the benevolent Government and humbly and respectfully appeal to your honour's sympathy, mercy and kindnes in this respect and pray the gracious exalted Gover ment to be pleased to condescend to appoint me either as one of the Public Prosecutors recently sanctioned or as a Prosecuting Inspector on the least minimum pay on probation at least as an experimental measure for some years and then to confirm or continue the same if my work in that respect be found satisfactory.

Being ever grateful and thankful for the mercy and sympathy that the gracious benevolent Government would be pleased to extend to me in this respect,

I beg to remain,

Most Honoured & Respected Sir,

Your most obedient, loyal and humt servant,

Dear Mr. Narayana Rao,

With reference to your D.O.No.P.3243-51 dated the 16th instant, requesting for proposals in consultation with the District Judge, in the matter of filling the post of Public Prosecutor for the District, I submit herewith for the information of Government, a copy of letter received from the District and Sessions Judge, Mysore, suggesting the names of four practitioners. I am in full agreement with the District and Sessions Judge that Mr.B.Ramaswamaiya, B.A., LL B., is out and out the best candidate for the post. I may, however, point out that he is a Congressman but of a quiet type in the sense that he does not partake actively in the ante-Government propaganda. If it is not considered a drawback, he may be appointed as the Public Prosecutor of the District. If it is considered desirable not to appoint him, Mr.G.Parthasarathy Iyengar may be appointed. An application presented by Mr.Parthasarathy Iyengar on 19th March 1940 is herewith submitted for favour of perusal. The other two have not impressed me as good in criminal work.

I have thought it fit & for myself as a candidate for the same. It may not please here to mention that I have conducted the largest number of criminal cases in this District, & also a great number of Sessions cases, with success. All the Courts before whom I have practised in the state have expressed satisfaction at my work, both on the prosecution side & on the defence side,

I am a native of Dodballapur Bangalore District, and have now permanently settled down at Tumkur. My age is 38.

I have been practising as an advocate of the High Court of Mysore for the last fourteen years in Tumkur, and my professional engagements pertain to persons residing in almost all the Taluks in the District. My activities have been confined to my profession as a lawyer. As regards my character and conduct I need only be referred to Rajadharmapraveenaa Dewan Bahaddur K.S.Chendrashekaraiyer retired Chief Judge High court of Mysore.
Rajadharmaprasaktha K.Shankaranarayana Rao retired Judge High Court of Mysore.
Mr C.Abdul Ghani, B.A.B.L Judge High Court of Mysore.

District Magistrate, Mysore District,

TO

H.V. NARAYANA RAO, ESQ., B.A.,LL.B.,
Secretary to the Government of Mysore,
Law Department, Bangalore.

Sir,

With reference to your confidential letter No.P.6243-51 dated the 16th March 1940 asking me to submit proposals in consultation with the District Judge in the matter of filling up the post of the Public Prosecutor for the Mysore District, I have the honour to state as follows:-

Towards the end of December last, I heard that the Government were contemplating the appointment of a Public Prosecutor for each District, and that, provided a suitable candidate were forthcoming, they would welcome the appointment of a Non-brahmin Advocate as Public Prosecutor for the Mysore District since the present Public Prosecutor, Mr. K. Ramaswamy, had held the Office continuously for several years. Thereupon, I took up the question with the District Judge, Mysore Division. He wrote back to say that it was advisable to continue Mr. Ramaswamy for a further period of at least two years as he was handling many complicated Original Suits and Land Acquisition cases which were in various stages of progress, and as it would be very hard to find a competent substitute even for the Sessions work. I again wrote to him to consider the claims of the Non-brahmin Advocates in this District, and propose one of them who, in his opinion, was competent to discharge the duties of the Public Prosecu-

with tolerable efficiency. I gave him a list of three names including Mr. M.N. Mahanthadevaru who had been specifically suggested to for consideration. In reply, he stated that he could not th of any Non-brahmin candidate who was up to the required standard and that none of the three Advocates mentioned by me had ever conducted a single case - either Civil or Criminal - in his Court. He eiterated the opinion expressed in his previous letter that it as necessary to continue the present incumbent for another term, nd added that, by reason of his legal acumen and considerable exerience, Mr. Ramaswamy was eminently fitted for tendering advice o the District Magistrate on many delicate questions which freiently arise in the prevailing political atmosphere in the country. enclose herewith for the perusal of Government copies of cor: ondence which passed between him and me.

As stated before, I suggested the names of three Non· rahmin Advocates for the consideration of the District Judge. hem, Mr. S. Sivaswamy is a junior member of the Bar who, so f: know, has very little experience of Criminal work. Even as ivil Lawyer, he does not appear to have any appreciable practi(r. M.N. Mahanthadevaru is practising as a Junior under Mr. B.S ıttaswamy, the President, District Board. Although I have b(n this District for over ten months, he has not appeared befor(ven in a single case. I asked some of the Magistrates and Ju apart from putting formal appearance for Mr. Puttaswamy, they (not remember to have seen Mr. Mahanthadevaru independently con(ing, or addressing arguments in, any case. He is a gentleman o quiet and retiring disposition and I do not think he will shin as a Public Prosecutor. I may add that neither he nor Mr. Si swamy has applied for the post so far. Lastly, there is the case of Mr. G. Shankara Setti who is a candidate for this appo ment. This gentleman has had a chequered career at the Bar. seems he started practice at Bangalore and then migrated to Na Apparently, he was unable to build up practice in either of th(places. He then shifted to Mysore. Even here, he does not

to have flourished. He, therefore, went back to Nanjangud where he is now residing. At present he is the Vice-President of the Nanjangud Town Municipality. Though he has practised for several years before subordinate Civil and Criminal Courts he has not made any mark at the Bar. I am told that he has rarely handled any complicated case - either Civil or Criminal. He has a good personality and that seems to be about all that can be said in his favour. I very much doubt whether he can do full justice to the appointment of Public Prosecutor. He says that he is willing to shift to Mysore if the post is given to him.

Among the Brahmin Advocates, apart from Mr. K. Ramaswamy, the following gentlemen have applied for the post:-

(1) Mr. K.L. Subba Rao,
(2) " K. Puttu Rao,
(3) " K. Krishna Das,
(4) " V. Lingappiah.

Of the above, No.(1) is a junior Advocate, and I do not know much about Mr. K. Puttu Rao. Mr. K. Krishna Das has appeared before me in several cases when I was the City Magistrate, Mysore, in 1935. I can testify to his ability and capacity as a Criminal Lawyer. I am told he has good practice on the Civil side also. He is a Lawyer of experience, and the only defect, which has come to my notice, is a little hardness of hearing. This defect, however, is not very marked and does not appear to be seriously interfering with the discharge of his professional duties. Mr. V. Lingappaiya is another Lawyer of experience. In the last elections, he was elected to the Municipal Council on the congress ticket. After I came to this District, he has not come into prominence as an active political worker. He has appeared before me in some Criminal and Revenue cases. After the death of Mr. A. Channakeshaviah about 3 years ago, he is acting as Standing Counsel for the Mysore District in undefended murder cases. On merits, I think Mr. Krishna Das has to be preferred to Mr. Lingappaiya.

Prior to his appointment as Public Prosecutor in 1929, Mr.

P.T.O.

K. Ramaswamy was accounted the most successful Criminal Lawyer in the Mysore City. On the Civil side, many District Judges have te: fied to his legal acumen and capacity. He has pleasing manners and is popular with both the Bench and the Bar. He has a well- established office with two capable juniors to assist him. He is not avaricious and has never resorted to the practice of getting Special Public Prosecutors appointed in Sessions cases in order that he may earn daily fees for conducting cases in Subordinate Criminal Courts. The Police have implicit confidence in his judgment and freely consult him on difficult questions arising during the investigation of Criminal cases. Particularly in con- nection with the political agitation he has rendered meritorious service, his advice having been frequently sought by both the Police and the District Magistrate. Under Rule 40 of the Rules for the conduct of Legal Affairs, it is only the District Magistrate who is entitled to free consultation with the Public Prosecutor, and that too, in respect of legal questions arising out of Crimi- nal proceedings only. But, in this Office, the practice has grown up where under the Deputy Commissioner refers every legal question of doubt or difficulty to the Public Prosecutor for opinion whether that question relates to Revenue, Civil, Income- tax, Registration or Muzrai law. It must be said to the credit of Mr. Ramaswamy that he has readily and willingly tendered his advice on all such matters without claiming extra remuneration except in very rare instances. I value this facility very great

The present term of office of Mr. Ramaswamy expires at the end of June 1940. By then, he will have held the office continuously for 11 years. It is therefore quite natural that Government should think of changing him and giving a chance to another, preferably a Non-brahmin. But in the opinion of the Sessions Judge there is no Non-brahmin Advocate in this District of sufficient merit to do justice to the appointment. Mr. Rama- swamy has appended to his application statements giving details

of Government cases, both Civil and Criminal pending in his Office and entrusted to him in his capacity as Public Prosecutor. For the expeditious disposal of these cases, and even from the point of view of economy, I agree with the District Judge that it is not desirable to effect any change now in the Public Prosecutorship. The District Superintendent of Police also has urged before me more than once the need for continuing the present Public Prosecutor. Mr. Ramaswamy has agreed to serve on the reduced pay after his present term expires. In the foregoing circumstances, I submit for the earnest consideration of Government the desirability of continuing Mr. Ramaswamy for another two years.

The applications received from the several Advocates are enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

District Magistrate,
Mysore District.

Copy of D.O. letter No.G1-547/39-40 dated the 27th December 1939 from the District Magistrate, Mysore District, Mysore, to the District and Sessions Judge, Mysore.

The term of office of the present Public Prosecutor, Mr. K. Ramaswamy, expires by the end of June 1940, and proposals will have to be submitted to Government regarding his successor. I understand that the Government have decided to appoint one Public Prosecutor for each District on a fixed salary of Rs.150/- per mensem. Mysore Division will, thus, have 3 Public Prosecutors from the next official year, but I am only concerned with the Mysore District.

There is no question of Mr. K. Ramaswamy continuing as Public Prosecutor on the reduced salary from next year. He has, I think, held the office continuously for 8 years, and I believe, the Government would like to give a chance this time to a Non-Brahmin, provided, of course, a suitable candidate is forthcoming. I have so far received only 3 applications which I enclose herewith. In my opinion, the selection need not be restricted to these 3 candidates. We may, I think, consider the claims of all suitable candidates, both Brahmin and Non-Brahmin, and send up two names, one Brahmin and one Non-Brahmin for the consideration and orders of Government. I am not familiar with all the members of the Bar in this District, but I am sure most of them have appeared before you. You are, therefore, in a much better position to judge their relative fitness for the post. I request you to kindly favour me with your proposals in the matter.

Re: Appointment of Public Prosecutor.

--

In continuation of my letter No.Gl. 547 of 39-40 dated 27-12-39 on the above subject, I forward herewith the application of Mr. K.M. Subba Rao, Advocate and a candidate for the Public Prosecutor-ship.

Copy of D.O. letter No.22/39-40 dated the 2nd January 1940 fro the District Judge, Mysore, to the Deputy Commissioner and Distric Magistrate, Mysore District, Mysore.

Your D.O. Gl. 547-39/40 Dated 27.12.39 and 30.12.39, with all the enclosures. In my opinion Mr. K. Ramaswamy appears to be the best and most outstanding among the members of the Bar for the pos of the Public Prosecutor.

I consulted him if he was willing to continue on a reduced sal on Rs.150/- per mensem for the Mysore District only, and he is agree- able.

It is also desirable to continue him for another period, as he s handling some of the complicated Original Suits and Land Acquisi- ion Cases which are all part-heard and as it would be very hard to ind a substitute even for Sessions work.

He is very trustworthy and I think it would be advisable to ontinue him for a further period of at least two years.

The applications received with your letter under reference are erewith returned.

D.O. letter No.G1-547/39-40 dated the 4th January 1940 from the District Magistrate, Mysore District, Mysore, to the Sessions Judge, Mysore Division, Mysore.

Regarding the appointment of Public Prosecutor.

I thank you for your letter No.22 of 1939-40 dated the 2nd instant on the above subject. As stated in my previous letter, I have reason to believe that Government would like to consider the claims of Non-Brahmin candidates practising in this District before deciding the question of the continuance of the present Public Prosecutor. I shall, therefore, be much obliged if you will kindly let me know whether there is a Non-Brahmin Advocate in this District who, in your opinion, is competent to discharge the duties of Public Prosecutor with tolerable efficiency. I know the names of three Non-Brahmin Advocates and they are (1) Mr. G. Shankara Setti of Nanjangud, (2) Mr. Siva Swami of Mysore, and (3) Mr. M.N. Mahanthadevaru of Mysore.

I request you to kindly consider the claims and fitness of the above gentlemen also for the post.

I am going to Bangalore on the 6th evening. It would be very helpful if you could favour me with your opinion before 2 P.M. that day.

District Magistrate,
Mysore District.

Copy of letter dated the 5th January 1940 from the District and Sessions Judge, Mysore Division, Mysore, to the Deputy Commissioner and District Magistrate, Mysore District, Mysore.

I am in receipt of your D.O. No.G.I. 547/39-40, dated the 4th instant, regarding appointment of Public Prosecutor.

For reasons stated in my previous letter, I would emphasize the need for extending the services of the present incumbent for the next term, or for a period of at least 2 years. I may also state in this connection that in view of the present times and the political atmosphere, there will be several occasions for the District authorities to consult the Public Prosecutor, and I can think of no other suitable person than the present incumbent who by his legal acumen and considerable experience is eminently fitted for giving advice.

With regard to your question whether there is a Non-Brahmin Advocate in this District, who, in my opinion, is competent to discharge the duties of the Public Prosecutor with tolerable efficiency, I am afraied I cannot think of any suitable candidate who can come up to the required standard. I may also state that none of the 3 Non-Brahmin Advocates mentioned in your letter have ever conducted the trial of any case, either Civil or Criminal, in my Court. Consequently, I am not in a position to vouchsafe their competency for discharging the duties of Public Prosecutor efficiently. As you want me to mention one name, I may state that No.(1) Mr. G. Shankara Setty of Nanjangud approached me and stated that he had been trying for the Public Prosecutorship for some years past and that he would exert himself and prove himself fit for the place. I can only say that his claims may be considered.

CONFIDENTIAL.

From

K. Ramaswamy, B.A.,B.L.,
Public Prosecutor, Mysore Division,
MYSORE.

To

K. Subba Rao, Esquire, B.A.,
District Magistrate, Mysore District,
Mysore.

Sir,

I beg to state that the Government were pleased to appoint me as Public Prosecutor of this Division from 1st July 1929. The tenure of appointment was three years in the first instance. But the Government were graciously pleased to extend my tenure of office from 1-7-32 to 30-6-35, again from 1-7-35 to 30-6-38 and lastly from 1-7-38 to 30-6-40. Till 30-6-40 I shall have served for eleven years.

I am grateful to Government and all their departmental officers for the uniform kindness and courtesy shown to me during my term of office and their ready co-operation in my work, without which it was not easy to discharge my onerous duties.

I may be permitted to mention a word or two as regards the nature of the duties I have discharged during my term of office. Under the Legal Affairs Rules of 1924 it was only District Magistrate that was entitled to consult Public Prosecutor upon any legal question arising out of a Criminal Proceeding. In civil matters the Government Pleader was only required to draft the plaint or written statement and conduct the suit in Court. There was no provision for employing the Public Prosecutor as Government Solicitor and entrust him with legal work outside the court such as consultation, opinion, drafting and conveyancing. But during

luring the period of my service I have invariably attended t
Solicitor's duties and willingly assisted the Deputy Commis-
sioner of the Mysore District and various departmental
officers. Except on very rare occasions I have discharged
those duties without any remuneration whatsoever. It is only
nder the new circular of 14-2-40 that the Public Prosecutor
of each District is required to advise the Deputy Commissione
and other officers of the District in legal matters without
extra remuneration.

I beg to enclose statements showing the nature and
magnitude of the work of the Mysore District and Government
on hand at present. Although my term nominally extends up
to 30-6-40 there will not be more than thirty working days
before the expiry of my term of office. There are a number
of heavy and complicated part heard original suits, executio
and miscellaneous cases and land acquisition cases pending
mostly before the District Judge of Mysore. I think it will
be an advantage to Government that I should be allowed to
conduct them myself in preference to a new incumbent to
the office.

I beg to tender this, my application for the post of the Public Prosecutor, Mysore District, and request you kindly t o forward the same to Government along with the kind recommendation of your good self and of the Sessions Judge, Mysore.

As the Hon'ble Mr.Justice Abdul Ghani, and the Hon'ble Mr.Justice Singaravelu Mudaliar know of my work, and as t h e latter selected me as a Standing Counsel for the first time two years ago and as the present and past District Judges of Mysore know of my work and capacity, I have felt it superfluous to obtai and attach herewith any written testimonial.

As you and your predecessor have also known me and my work as an Advocate, I make bold to approach you to recommend this, my application to Government for favour of kind consideration.

The Chief Secretary to the Government of

Sir,

I beg to offer myself for appointment as the Public Prosecutor of either Mysore or any other District, which, I understand, the Government are proceeding to fill up shortly.

I belong to the Vysya community and am 33 years of age. I am a law graduate of the Bombay University and have been practising as an Advocate since January 1931. I started practice as a junior to Mr. K.Ramaswamy, Public Prosecutor, Mysore Division, and had the privilege and opportunity of acquainting myself with legal work of quite a varied nature. The City Municipal Council, Mysofe, was pleased to elect me as its Advocate in February 1935 which appointment I have the privilege of holding even now having been re-elected in April 1937. The juniorship in Mr.Ramaswamy's office and the present office as Municipal Advocate have afforded me unique opportunities for a close acquaintence with office procedure and formalities in respect of Government and Municipal legal work.

I request you to be so good as to move the Government to favour me with this appointment. I assure you that it shall be my constant endevaour to prove worthy of the confidence I am seeking.

Sir,

I beg leave to tender this my application for the post of the Public Prosecutor, Mysore - Hassan Division, as I understand that the term of office of the present incumbent expires in June 1940.

2. I have served in the Mysore Bar for a period of 26 years being enrolled as an advocate of the Hon'ble the High Court of Mysore since 2nd October 1913. I have a fairly decent practice both in the Civil and Criminal side of the Profession.

3. Throughout the period, I have worked to the entire satisfaction of the several judges that graced the Bench of this Division, as well as the clientele in many sessions and other important criminal trials and have earned in the City of Mysore a fair name as a legal practitioner particularly on the Criminal side.

4. Further I have served Mysore Government, in the capacity of the "standing Counsel for the Mysore District" for four years from 1929 to 1932 when Justice Shankaranarayana Rao was the Sessions Judge and I fully believe that my work has then been to the entire satisfaction of the Hon'ble the Court of Sessions, Mysore Division before whom I practiced in several sessions trials -- during the

period.

5. I have also worked during the period of Justices Gani, Singaravelu Mudaliar and Mr. C. Subramanya Iyer, when they held the office of District Judge, in Mysore, and I believe that my work has been to the satisfaction of them all.

6. In the circumstances, I beg leave to approach you, Sir, to be good enough to recommend, with your kind support, to Government for my appointment to the said office should it were to fall vacant.

7. Should I be lucky in securing the job, I assure your ~~Honour~~ Sir that I shall strive my best to acquit myself well of the confidence reposed in me by Government.

D. O. No. J. 3. C. 3718/39-40
Your applications.

Dated Chitaldrug, 1st April ..... 1940..

Dear Sir,

With reference to your D.O. letter No. P. 6243-51 dated 16th March 1940 requesting me to submit proposals in the matter of the appointment of District Public Prosecutor to this District in consultation with the District Judge, Shimoga I write to state as follows:-

2. I wrote a D.O. letter to the District Judge on 27-3-40 asking for his views. He personally met me on 28-3-40 and suggested that in the light of instructions given to him by the Chief Judge, Mr. B. Venkatashamanna was best suited for the job as he was an experienced counsel and President of the local Bar Association. I agreed with him but felt doubtful if he would accept this job as his name had been thought of in connection with the filling in of a vacancy in the High Court. On enquiry however, I am given to understand that he is quite agreeable to accept the job of the District Public Prosecutor if the same is offered to him. He is a very respectable counsel well versed in Law and a very sane gentleman with very rich legal experience. His appointment is sure to add dignity to the office.

3. The following gentlemen have also seen me and signified their willingness to work as District Public Prosecutors and have submitted their applications for the post. These are Messrs: K.S. Keshavamurthy Rao; B.K. Ramachandra Rao; W.T. Hanumantha Rao and B. Marulappa. Of these Mr. Keshavamurthy Rao is not a Law Graduate but he has been a Standing Counsel for the last 11 years. If it is thought necessary that only Law Graduates should be appointed, then Mr. K.S. Keshavamurthy Rao's case cannot be considered. If the claims of pleaders also could be thought of, then I would place Mr. B. Bhima Rao of Davangere and Mr. Keshavamurthy Rao

in the same rank. Mr. Bhima Rao was specially selected to represent the Government case in Mr. Justice Nageswara Iyer's enquiry also. Both of them are agreeable to work as Public Prosecutors. Both Messrs. B.K.Ramachandra Rao and W.T. Hanumantha Rao are comparitively young in - profession. The local Magistrates have a higher opinion of Mr. B.K.Ramachandra Rao, among the two. Mr. B.Marulappa is easily the best person among non-brahmin Law Graduates with ten years of practice and has conducted many good and important cases. Mr. H.siddaveerappa of Davangere also is an applicant for the same. If it is thought on administrative grounds to appoint a non-brahmin Law-Graduate to this District, then I would put in Mr. Marulappa in preference to other non-brahmin candidates. The District Judge also agreed with me in regard to my views about Mr. Marulappa. He is any day to be preferred to Mr. O.Veerabasappa whose name appears to have been suggested in some quarters.

4. In conclusion, however, I may say that in view of the availability of Mr. B.Venkatashamanna, it may probably be not necessary to consider the case of any other person at all.

Yours sincerely,

To

Dear and Respected Sir,

Kindly forgive me for breaking in, on your valuable time to call your attention to a problem connected with my legal profession.

The Members of the Bar are grateful to you for the announcement that Public Prosecutors will be appointed in all the Districts of the State. As I am well aware that any suggestions offered do receive your kind consideration, I make bold to make this request.

There are young men at the Bar who are quite able and competent but on account of the depression all over, are struggling for a decent living. I submit that such suitable young men must be encouraged and may be chosen for these posts for two important reasons.

Firstly, it will, to a certain extent, though small, solve the acute economic problem of the educated unemployed and mitigate discontentment against the existing order, in which, it is felt, that as a general rule the rich grow richer and the poor grow poorer.

Secondly, it will open a bright future for able and eligible young men, and, to quote your own words, from your recent presidential speech at the Baldwin's Boys' High School, Bangalore, help to create " a sound mental attitude and social outlook among the younger generation."

It is common knowledge that feverish canvassing is going on for these places. I apprehend that our cases are likely to be overlooked when Lawyers who are far advanced in age and who are already well placed economically, and as such; more influential, are bringing

pressure to bear, for capturing these places also. If these places were to fall to the lot of these people, it may improve their substantial Bank Deposits, but: the State will have lost an opportunity of finding employment for a few educated unemployed.

I pray that the appointments may solve problems of the necessities of State Administration and also the acute problem of hunger and work which it has been your ardent desire to alleviate during your successful and enlightened administration.

I beg of you once again to pardon me, for my intrusion on your precious time.

Dear Sir,

In continuation of my D.O. letter of even number dated the 30th ultimo in the matter of the appointment of a Public Prosecutor for this District under the new scheme, I am sending herewith the five applications referred to therein together with D.O. No. 43/39-40 from the District Judge, Bangalore, in the original. An application subsequently received from Mr. H. Cheluviengar is also enclosed.

The District Judge is of opinion that Mr. H. R. Mahantia is the most eligible for appointment. While I agree that this gentleman is a young man of good character and promise, I am afraid that being one of the juniormost among the members of the local bar, he lacks sufficient experience. My own suggestion is that Mr. B. Raja Rao who has about 20 years' experience, or Mr. B. Ramachandra Rao may be preferred.

Yours sincerely

Dear Mr. Kumarasuriar,

In reply to your D.O.: C.C. 150939-40 dated 30-3-40, asking for my opinion in regard to the appointment of a Public Prosecutor for Trincomalee District, Mr. H.R. Wahanthika appears to be the least amongst those who have applied so far. His educational career is marked with distinction throughout as is evident from the copies of testimonials he has enclosed with his application. Even in the Law degree examination he has secured a pass with distinction. The Police Magistrate, Trincomalee, who had the opportunity of judging his work as a lawyer speaks very well of him. He is young & energetic, & he is stated to be a gentleman of high integrity & respectability, which are the main qualifications required for a Public Prosecutor.

S i r,

As I understand that a vacancy in the post of Public Prosecutor, Bangalore District is likely to arise, may I offer myself as a candidate for the same. In this connection permit me to mention a few facts in support of my application.

Having passed the B.L. Degree examination from the Madras University in the year 1925, I worked in the office of late Dewan Bahadur L.A.Govindaraghava Iyer as an apprentice-at-law. In the year 1926 I took my Apprenticeship examination of Madras and was duly enrolled as an Advocate of Madras High Court. Very soon thereafter I set up my practice in Bangalore and was also enrolled as an Advocate of the then Chief Court of Mysore. I practiced at the Bar till August 1934 when I was appointed as the Dewan of Banganpalli State. In addition to administrative duties I was the District and Sessions Judge and have tried a number of sessions cases besides hearing Civil suits and appeals. Even in Cambay State, where I served for a couple of years I was in touch with judicial work.

After my return, I have resumed my practice at the Bangalore Bar. I have two juniors working in my office as the quality and quantity of work demands their assistance. I have conducted several sessions cases both in the city Courts and in C & M Station. May I therefore, request you to be pleased to appoint me as the Public Prosecutor for Bangalore District.

Dear Sir

I am in receipt of your letter No.P.6553/dated 2-4-40 with its enclosure calling for a report on the Resolution mentioned therein.

Mr.H.Gulam Abid is the only Muslim Law Graduate practising in this Division. He has enroled himself as a Pleader about six - months back. No other Muslim gentleman is practising either in Kadur or Chitaldrug - Districts as an Advocate or Pleader.

I am afraid it is too early to think of Mr.Gulam Abid for the Public Prosecutor's place. He is yet quite raw and has not had any experience in the Bar and he will not be able at present to handle the very difficult and onerous work of the Public Prosecutor. He does not seem to have

No.C.C.57/39-40.

OFFICE OF THE DEPUTY COMMISSIONER &
DISTRICT MAGISTRATE, KOLAR DISTRICT.
DATED, KOLAR THE 6TH DAY OF APRIL, 1940.

CONFIDENTIAL.

Dear Sir,

With reference to G.O.No.P.5591-646/Law.104-39-1, dated 24th February 1940, calling for proposals from me in consultation with the District Judge, for filling the post of Public Prosecutor for the Kolar District, I write to give hereunder five names of Advocates and Pleaders, who, in my opinion, have claims to be considered for appointment as Public Prosecutors:

Messrs

1. D. Venkatesiah, B.A., B.L., Advocate, Kolar,
2. K.V. Subrahmanyam, Pleader, Kolar,
3. J. Aswathanarayana Rao, B.A., B.L., Advocate, Chikballapur,
4. C. Ramaswami, B.A., LL.B., Pleader, Chikballapur
5. M.L. Srinivasaiah, B.A., LL.B., Advocate, Robertsonpet, Kolar Gold Fields.

Of these, Mr. C. Ramaswami is the only non-brahmin candidate. He is President of the Chikballapur Municipality; but his practice is inconsiderable and he has a standing of only four years at the bar. Unless he gains experience for another two or three years, he may not be quite fit to be a Public Prosecutor for conducting important Sessions Cases before the Sessions Judge. Mr. M.L. Srinivasaiah lives in Robertsonpet and though he has fairly considerable practice, he is unwilling to go over to Kolar permanently. Mr. K.V. Subrahmanyam is only a Pleader without any high educational qualifications and may not be quite suitable for this post for want of educational qualifications. His practice is however considerable in Kolar and he is a -- reliable gentleman free from political views. There are thus only two gentlemen left - Messrs J. Aswathanarayana Rao and -- D. Venkatesiah. The first gentleman has a standing of about ten years at the bar and lives in Chikballapur. Mr. D. Venkatesiah however has over 30 years' service at the bar and at one time was the acknowledged leader of the bar at Kolar. He is a very

experienced Advocate and from all points of view, he is the most suitable man to be suggested for this place for a period of three years. He is thoroughly trustworthy and free from all political bias and eminently successful at the bar. All things considered, I think he would be the best suited man for this place.

I have discussed these names with the District Judge, Mr. G. Paramasiviah on 4-4-1940 and he has agreed with me in these views. I therefore recommend that Mr. D. Venkatesiah may be kindly appointed as Public Prosecutor for Kolar District for the term commencing from 1st June 1940.

Yours sincerely,

7/4/40.

Dear Sir,

I have enclosed herewith a copy of the application that I have submitted to the Government through the Deputy Commissioner and District Magistrate, Hassan District, for the Public Prosecutor's place of the Hassan District newly sanctioned by the Government.

While submitting my application, I was given to understand by the District Magistrate, that apart from the Gazette Notification he had received no further instructions in the matter from the Government and he was not aware of the exact procedure that was to be adopted in the matter. Meanwhile I learn that applicants for the situation are approaching the Dewan Saheb directly and are making their representations. As I do not like that my case should go unconsidered because of a wrong procedure that I may have adopted I hasten to approach you with this request of mine that you might be pleased to submit to the Dewan Saheb the enclosed copy of the application.

I request you further to kindly let me know when the Dewan Saheb would find it convenient to grant me an Interview as I wish to personally pay my respects to him and make my representations.

As stated already since the procedure that is to be followed in the matter is not exactly known you may kindly ignore if there should be any irregularity in the pro-

Sir,

I wish to bring to your kind notice that I have offered myself as a candidate for the post of public prosecutor by an application dated 3rd April 1940, to the Deputy Commissioner and District Magistrate of Kolar. Since I understand that the matter is pending decision by Government, I request liberty to furnish the following suplementary particulars concerning the volume and nature of my work in the various courts during the past three years.

I was appointed special Public Prosecutor by the District Magistrate, Kolar during the period between 1937 and 1940, to conduct seven cases before the District and Sessions Judge and five of them ended in conviction. I also defended accused in a Sessions case as standing Counsel appointed as such by the District and Session Judge and that resulted in an acquital.

The Bank of Mysore, Limited, have retained me in several important matters for opinion and have also briefed me to conduct their suits in the Munsiff's court of Kolar and Kolar Gold Fields.

The Town Municipality of Kolar have briefed me in 170 Civil suits during years 1938-1940 as well as in their Criminal Prosecutions, in addition to a large amount of their execution work.

I have appeared for the one or the other side in about 219 suits during the years 1937-38, in 200 during 1938-39 and 219 during 1939-40 in the courts on the Munsiffs of Kolar and Kolar Gold Fields. In addition I have been prosecuting and defending in private Criminal cases in all the courts in the District Head Quarters.

I am a native of the Kolar District and I am now 38 years old. I have been practising as a legal practioner for the last 14 years in Kolar. I may also be permitted to mention that I come from a respectable family several members of which have rendered loyal and distinguished service to the Government of His Highness the Maharaja of Mysore and to the Royal family during the past 50 years.

I trust that the experience I have had in handling briefs of public and Quasi-public bodies will stand me in good stead in handling state prosecutions if I am appointed as public Prosecutor.

Most Honoured and Revered Sir,

I the undersigned most respectfully beg leave to submit that in regard to the appointment of Public Prosecutors to the several Districts, I submitted an application on 18th March 40 praying that the benign Government be graciously pleased to grant me one of those posts. After submitting such an application I prayed for an interview in the matter which your honour was pleased to grant on 29th March 40 when, after listening to my humble representations your honour was pleased to direct that the application may be submitted through the Deputy Commissioner of the District wherein I have been practising.

Accordingly in submitting this humble application, through the Deputy Commissioner of the Tumkur District (as I have been practising in Tumkur for the last 22 years) for the most gracious and kind consideration of the benign and benevolent Government, I most fervently pray that your honour be graciously pleased to consider and grant my humble prayer in this respect.

I learn that the Government would kindly make a few

selections from the members of the Bar to such appointi
I therefore beg leave to kindly permit me to offer mys
a candidate for the same.

I was enrolled as a pleader in August 1918 and since then I have been practising in Tumkur having bot
Criminal and Civil work and having more aptitude towar

conducted a good number of criminal cases and appeals
various types and such cases may not have been less th

Though I have been practising in the moffusal ever since these 22 years I have sufficient and varied experience of criminal work in all these years, as I have successfully handled a great many varieties of criminal cases.

As for my scholastic career I most humbly beg to submi

Previous to enrolling as a lawyer I have served the benigh Government for nearly 8 years in the Judicial Department and I had to resign the same solely for the prupose of enrolling as a Pleader as per rules.

I have not been taking any part (even to the slightest extent) in any of the agitations or movements, intended or calculated to be, against the best wishes of the benigh Government, but I have been loyal all through.

I most humbly beg leave to submit that if I am kindly selected to any of these posts even provisionally as an experimental measure I beg to state that I would very earnestly and diligently do the work.

Though it is generally the policy of the benign Government to select double-graduates and graduates for service and though a good number of them have been -- volunteering for the same, it is also a matter of great genorosity, sympathy and high benevolence that the benign Government have been ever gracious in granting appointments, in recognising the capacities of efficient under-graduates, also who have studied in colleges but have given up further studies for unavoidable domestic circumstances. The highly respected Government have been giving encouragements to such under-graduates also whenever they are found competent and efficient; and there have been a good number of such instances in your honour's most enlightened and noble administration of the benigh Government.

I therefore most humbly beg leave to submit that I most humbly and respectfully pray your honour and the highly exalted Government to be highly pleased to condescend to extend the same sympathies towards me in this respect and to extend that highly praised benevolent generous policy referred to above, towards me also, kindly having regard to my long standing practice and experience in the profession both on ciriminal and civil side for the last 22

I most highly entreat your honour and the benevolent Government, but also humbly and respectfully appeal to your honour's sympathy, mercy and kindness in this respect and pray the gracious exalted Government to be pleased to condescend to appoint me either as one of the Public Prosecutors recently sanctioned or as a Prosecuting Inspector on the least minimum pay on probation at least as an experimental measure for some years in any district, and then to confirm or continue the same if my work in that respect be found satisfactory.

Being ever grateful and thankful for the mercy and sympathy that the gracious benevolent Government would be pleased to extend to me in this respect

OLD BANNI MANTAP,
MYSORE CITY.

My dear Sir Mirza,

We were very sorry not to see you on Friday, owing to postponement of your visit to Mysore but are hoping to see you in May.

Meanwhile, I am going to trouble you on behalf of my friend Mr. K. M. Subba Rao, B.A., L.C.B. (of Mysore), whose application for the Bangalore Public Prosecutorship, vacant on 1st July, has been forwarded to the Law Secretary by the Deputy Commissioner.

Since 1925 (February) Mr. Subba Rao has Co-operated in the family law-practice established by his father & his uncle, dating from 1893. I understand that his family is known to the First Member of Council, & that Mr. K. M. Subba Rao's own work is known to Mr. Justice Abdul Ghani & Mr. Justice Singaravelu Mudaliar.

Although naturally I am not qualified to support the Candidate on professional grounds, I am most happy to do so for personal reasons, because during 6 years' very frequent association with Mr. K. M. Subba Rao, I have gained the highest possible opinion of his probity, & his qualities of understanding & sympathy.

With very kind regards,

Yours sincerely, M. Forster

Extract from D.O. letter No.C.776 dated the 3rd May 1940 from the Dewan of Mysore, Bangalore, to Mr. B. Bhima Rao, Advocate, Bellary.

I shall remember the name of Mr. W.T. Hanumantha Rao whom you have recommended for the post of Public Prosecutor for Chitaldrug. Personally I shall be glad to do what is possible for him but it is more than I can say what the decision of Government will be in regard to the matter. There are so many applicants.

Extract from letter dated the 1st May, 1940, from B. Bhima Rao, Esq., B.A., B.L., M.L.C., Advocate, Bellary, to the Dewan of Mysore.

I had given a letter to Mr. W. T. Hanumantha Rao, B.A., B.L., Advocate, Chitaldrug, urging strongly his claims for appointment as Public Prosecutor. It appears he has not delivered it to you by oversight or otherwise. He is a distant relation of mine. Further he is a brilliant young man, who has put in twelve years' practice at the Bar. He is a recipient of a Public Service Medal for Scout Services.
